Group Description

Our groups are free, confidential, safe, and non-judgmental spaces open to parents of transgender children.

Contact the group email address for details on dates, locations, times, or any questions you may have.

They are lead by trained parent volunteers and welcome to you no matter how recently your child came out or how much you know about transgender identities.

You are welcome here.

HELPLINE: We offer a helpline staffed by trained volunteers at (866) 427-3524. Our One to One Parent Program can arrange for you to meet with a volunteer if you prefer that, don't want to wait until the next meeting or getting to meetings is difficult.

Note: You are welcome as a "parent" if you are a legal guardian or caregiver. If you are an extended family member, chosen family member or sibling, feel free to contact the group leader, as exceptions are made.

Groups for Parents, Friends, Family & Members of the LGBTQ+ Community

These groups are long standing sources of community support for parents, friends, family, allies, community members, and LGBTQ people. All are welcome.
