

2024 Greater Boston PFLAG

Pride Partner Program

Join us in amplifying LGBTQ+ stories, history, and voices this June.

Celebrate Pride within your institution in meaningful way with Greater Boston PFLAG this June. June Pride month activities are opportunities to celebrate the LGBTQ communities, along with commemorating the struggles and contributions of the communities throughout history.

Celebrating Queer Culture Past and Present (LGBTQ+ Icons and History)

Queer culture is resilient and vibrant, and we will educate and celebrate its rich history through art, literature, and activism. Pioneers like Marsha P. Johnson and others at The Stonewall Riots began a movement that we know today as the modern LGBTQ+ rights movement. Today, pride festivals, social media, and drag queens are everywhere and have roots in the past. Learn about LGBTQ+ culture, history, and heroes today that are championing representation and inclusion. Embracing its past and present, queer culture inspires the world towards an inclusive and compassionate future.

Participants will have the opportunity to share their own life moments of queer joy in a celebration of our active resistance and resilience as a community. Great educational opportunity that lays the foundation of allyship and motivates action.
