

2024 PFLAG Greater Boston Pride Partner Program

Join us in amplifying LGBTQ+ stories, history, and voices this June.

Celebrate Pride within your institution in a meaningful way with PFLAG Greater Boston! Federally designated 25 years ago, Pride Month in June recognizes and celebrates the LGBTQ+ community and serves as a reminder of the ongoing fight for equality and justice. Pride Month brings all people together to honor diversity, promote understanding, and affirm the rights of all individuals to love and express themselves freely.

Celebrating Queer Culture Past and Present (LGBTQ+ Icons and History)

Queer culture, resilient and vibrant, celebrates its rich history through art, literature, and activism. Pioneers like Marsha P. Johnson and others at The Stonewall Riots began a movement that we know today as the modern LGBTQ+ rights movement. Today, pride festivals, social media, and drag queens are everywhere and have roots in the past. Learn about LGBTQ+ culture, history, and heroes today that are championing representation and inclusion. Embracing its past and present, queer culture inspires the world towards an inclusive more and compassionate future.

Participants will have the opportunity to share their own life moments of queer joy in a celebration of our active resistance and resilience as a community. This training is a great educational opportunity that lays the foundation of allyship and motivates action.
